## **CONSTRUCTION NOTICE**

### **Summit Avenue & E. Marine View Drive Construction Project**

Work is scheduled to begin March 21 on a construction project in your area. The Tulalip Tribes contractor will be installing a segment of water transmission line as part of the Tulalip Water Pipeline project.

The project occurs in the southeast corner of Summit Avenue and E. Marine View Drive, near Henry M. Jackson Park (see map below). Reece Construction will be performing the pipeline work. Normal work hours will be 7 a.m. to 7 p.m., Monday through Friday. Some night or weekend work may be required. Activities at this location include a horizontal directional drilling operation using stationary equipment. Noise from the stationary drilling equipment includes typical diesel engines associated with construction activities and installation of steel casings.

Traffic Control may be required during construction activities including signs, barricades and flaggers to manage traffic flow and work with local residents to maintain around the work area.

For more information contact Tulalip's representative, Ross Bichel, at 360-770-4796, who will be the link to the construction contractor, Reece Construction.

Once the work begins the City of Everett field contact will be Tom Gallagher at 425-754-6352 or [tgallagher@everettwa.gov](mailto:tgallagher@everettwa.gov).
